

AMENDMENTS TO THE SPECIFICATION:

Please substitute the following amended paragraph for the pending paragraph [0015].

[0015] With reference to the FIGURE, an organizing and/or displaying system or apparatus **A** for wallcovering samples includes a slip case **10** configured to house or hold a plurality of sample holders ~~or, e.g., such as the illustrated decks 20.~~ More specifically, as shown, each deck 20 containing contains a plurality of wallcovering samples **30**. The slip case **10** is a rack, stand, cabinet, box or the like that includes a number of individual divided compartments or slots **12** in the front thereof. Suitably, there is a separate slot **12** for each deck **20**. The slots **12** are sized to receive the decks **20** which are selectively placed therein for storage. Optionally, the slip case **10** includes a foot or base **14** upon which the slip case **10** rests when placed on a suitable horizontal surface, e.g., a table top, counter, floor, etc. A front face **16** of the base **14** optionally provides a location for displaying a manufacturer's or designer's logo, pricing information, or other information related to the wallcoverings or the samples **30**. Opposing sides, a top and a back complete the outer housing of the slip case **10**. Optionally, the slip case **10** is hung or otherwise mounted via its backside on a wall or other vertical surface.
